IW- I Panel 17/19

INTERACTIVE PANEL

Ideal for Classroom, Auditorium & Conference Room................

Overview:

I WIN I Panel brings Exceptional Clarity to presentations, Meetings, Lessons and Lectures. I WIN I Panel provides the full functionality of an Interactive white board through a 17/19 inch screen display.

It lets you control computer applications and write digital notes on the display whilst your audience views the same notes projected onto a large screen.

I WIN I Panel connect the panel to your PC and LCD Projector and control a lesson or presentation directly from a podium or desk and project onto a large screen.

You can write notes during lessons, add comments from discussions and clarify material as you present it. Notes and multimedia can be saved as objects that can be manipulated, reorganized, and re-used. You can also save digital notes directly into several software applications, including Microsoft PowerPoint, Word or Excel, Adobe Acrobat and AutoCAD software. I WIN I Panel software also enables you to e-mail saved files to students or colleagues at any time during your presentation.
